

DEKO MOLTON

(Single Sided)

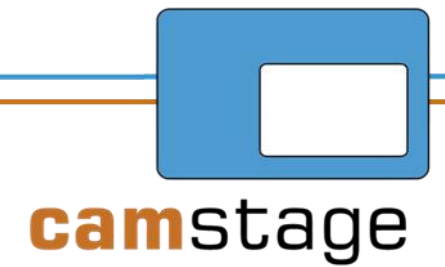

WARNING:

The patterns shown give an indication of colour. However a slight variation must be expected between dye batches, and monitors. All flame retardant materials should be kept free of dust as this may provide a fire source. Goods are offered subject to our Terms & Conditions of trading, a copy of which is available on request. We highly recommend viewing fabric samples before placing an order or manufacture.

DEKO MOLTON

(Single Sided)

Perfect for • Masking • Decorative/Scenic • Film & TV • Stage

Deko Molton is an excellent exhibition/event fabric for use where back lighting is not a priority. Versatile due to its width, a thrifty way to add colour to your project.

Please note: This fabric is only available in full rolls.
